A Visual Pick-up Goods task. Drive a 57xx goods from Maidenhead to Loudwater stopping at each yard to drop off GREY vans and LOADED wagons. On the return trip collect BROWN vans and EMPTY wagons. You set the points and decide how to do it. This scenario's in game manual is available from the HUD. Requires 57xx and WSR Goods Wagon packs from SSS.

You are delivering GREY Goods vans plus LOADED wagons to each station on the Maidenhead Branch: Cookham, Bourne End for Marlow - leave in the junction sidings by the signal box, Bourne End yard, Wooburn Green and Loudwater. At Loudwater you proceed light engine to High Wycombe South Yard entrance to take water before returning to your train. On the return trip you collect BROWN vans and EMPTY goods wagons. Coal wagons are dealt with by another working except at Bourne End. You have to take the BROWN coal wagons in the coal siding to Jacksons Siding just north of the station and bring back the empties to Bourne End. You also have a BROWN van to drop off there. This needs to go in the shed so it can be prepared for collection on your return. You set the points and decide how it is done.
